AWS Trail Subscription

- **12-Months Free:** These free tier offers are only available to new AWS customers, and are available for 12 months following your AWS sign-up date. When your 12 months free usage term expires or if your application use exceeds the tiers, you simply pay standard, pay-as-you-go service rates (see each service page for full pricing details). Restrictions apply; see offer terms for more details.
- **Always Free:** These free tier offers do not automatically expire at the end of your 12 months AWS Free Tier term, but are available to both existing and new AWS customers indefinitely.
- **Trials:** These free tier offers are short term trial offers that start from the time of first usage begins. Once the trial period expires you simply pay standard, pay-as-you-go service rates (see each service page for full pricing details).
